Deep secure bulwarks  
Windowed T-top for plenty of light

Carbon fiber helm station  
Super-equipped dashboard  
Multi-function display  
User-friendly joystick controls for  
easy manoeuvring and docking  
Ergonomic pilot and passenger seats

## Say hi to a super high-performance elegant outboard

For the outboard model, Wally selected Mercury's state-of-the-art 450 hp Verado R power engines.

The lightest and most fuel efficient outboard on the market, with the best power-to-weight ratio.

Combined with a deep V-hull and light carbon fiber construction, the result is impressive: high top speed and very low consumptions for extended range.

54 knots of maximum speed and 36 knots of cruising speed with a range of 340nm.

Wave piercing vertical bow

F a s t , e a s y

a n d s a f e

wallytender48 is a great family boat and safe for everybody onboard with protective bulwarks and non slip teak deck as standard.

You always  
feel “in”

rather than “on”

Full living deck, designed to let family and friends relax in convivial comfort with generous seating and sunbeds.

- Galley unit on deck
- Opening bulwarks as standard
- Gyro stabiliser
- Wrap-around fender
- Push-button anchor system
- 8 people al fresco dining
- Toys garage with ample storage

To fully enjoy the on-the-water experience both at anchor and underway, the aft seating can be configured to face either forward or the dining table.

55 knots  
of speed

like no other

Under aft sunbed there is additional storage space.  
The entire aft sunbed can be raised to access the engine compartment.

In addition to the hardtop, both the fore deck and the aft deck can be protected from sun under awnings supported by carbon fiber pillars.

38 knots  
of speed

and not  
feeling it

# Technique unique

Wally has ingeniously split the four engines to the flanks of the boat, with two on each side, allowing the installation of the retractable hydraulic boarding passerelle/swim ladder to provide direct and easy access to the water or the shore.

## Promoting open-air living

Because at the end  
of the day, this is the best  
way to be Wally

Spacious, bright, fully equipped and air-conditioned suite  
Single molded carbon floor  
Plenty of storage  
Refrigerator, microwave  
Custom designed carbon stair  
En-suite with separate shower

## Main technical specifications

### Engines

2 x VOLVO PENTA IPS650		
Power at 3700 rpm	353 kW	480 mhp

### Speed

Maximum speed	38 knots
Cruising speed	32 knots

### Range

Maximum speed	280 nm
Cruising speed	310 nm

### Main sizes

LOA = length overall (ISO 8666)	14,5 m	47 ft 6 in
LH = length hull (ISO 8666)	14,4 m	47 ft 3 in
LWL = length waterline (full load, standard version)	13,4 m	44 ft 0 in
Maximum beam	4,4 m	14 ft 5 in
Depth under propellers (full load, standard version)	1,2 m	3 ft 11 in
Displacement (light ship, standard version)	11,5 t	25353 lb
Displacement (full load, standard version)	14,8 t	32628 lb
Maximum number of persons on board		12
Design category directive 2013/53/EU		B
Certification modules	B+F	RINA Spa

### Technical data

Hull type: warped hull with spray rails and aft deadrise		18°
H = overall height	4,6 m	15 ft 1 in
P = pulpit + transom	0,1 m	0 ft 4 in
Fuel tank capacity	1400 l	370 US gal
Water tanks capacity	240 l	63 US gal

### Performance specifications

The performance is estimated at the following conditions:

Standard version displacement	12,4 t	27276 lb
-------------------------------	--------	----------

at 1/3 of load, clean hull, 25°C air temperature, good weather conditions, 4 persons on board

Overloading the yacht by	0,5 t	1102 lb
Top speed decreases of		1 knot

The Technical data, performances, designs and graphic reproductions are purely indicative, are not contractual, shall not constitute in any circumstances whatsoever any contractual offer by the shipyard and refer to Europe an standard models of motor yachts built by the shipyard. The only valid technical reference or description is the specific parameters of each motor yacht cited only on purchase of the same. Therefore the only indications binding on the seller are contained solely in the sale agreement and in the relevant specific manual.
