See another sea with
the **Custom Line 120'**.

A reflection of the owner's personality,
she's more than a yacht;
she's a unique masterpiece.
Because cruising is an art.
The art of being different.

we see
a masterpiece.

Feel the calmness
of the sea or express
the power in the waves.

Speed

25 knots

maximum speed

21 knots

cruising speed

1100 nm

range at 11 knots

An array of navigation systems to free your mind and let your spirit soar on the high seas.

The art of cruising
comes to life with
the Custom Line 120' yacht.

we see a unique
creation.

Dimensions

38.36 meters
overall length

7.65 meters
maximum beam

270
gross tonnage

There are palatial spaces
for everything from carefree
fun to well-earned privacy.

Beyond the harmony of the Line,
beyond expectations.
A true **yachting masterpiece**.

A tailor-made Line.
A Line **to live intensely.**

120': the shortest distance
between the sea and
your dreams.

A new Line
on the horizon,
a new point
of reference
for your journey.

we see an incredible
painting.

From creativity to creation.
Experience the sea through
widescreen windows.

From the main deck,
you **feel the infinity of**
outer spaces.

Traveling attracts.
Cruising captures the heart.

Amazing panoramic views

1

innovative large glass door
on the main deck

3

decks with numerous hull windows
and floor-to-ceiling windows

360°

view

See another sea,
from the wraparound
windows.

The black and white over the
blue, a **light** in the deep sea.

we see a fantastic
sculpture.

Beyond the Line,
beyond the sea,
beyond the blue.

Like a modern high-tech
art installation – a **masterpiece**,
unique and unforgettable.

Leading the Future

Creating Greatness

This is our commitment as a luxury yachting group. This is the spirit that drives us, individually and collectively. This is the value we bring for our employees, our brands, our clients and society as a whole.

Striving for Innovation

Ferretti Group delivers excellence through constant innovation and pioneering technology. This is how we achieve formidable performance and safety at sea, offering clients authentic experiences to satisfy their desires for affirmation and self-expression.

Going Global

Ferretti Group always endeavours to be close to the market and to our customers, doing whatever it takes to deliver exceptional performance. We have built up an agile, resourceful international dealer network, supported by high-end marketing initiatives to enhance our brands' worldwide visibility and profile.

Empowering Expertise

We continually spur each of our brands to go further. We leverage their special know-how, artisanal accomplishment and technological expertise to stay at the cutting edge of the nautical world.

Creating Value

We focus our energy and resources on supporting our brands in their long-term development, further boosting their ability to create value. This has earned us extraordinary success over the years, helping the group become a pre-eminent player in today's yachting sector.

Softening our impact on the environment

Ever aware of the need to consider the environmental and social side-effects of our products and processes, Ferretti Group publishes a Sustainability Report every year. This document maps the main impacts of our activities and outlines the initiatives in place towards more sustainable development.
